NOISY FOURTH FOR JUNCTION CITY

Council Takes Ban Off Firecrackers—
Solons Think Ogden Has
Enough Saloons.

OGDEN, June 27.—If the permis-
sion of the city council is taken ad-
vantage of, Ogden will have neither a
safe Fourth, nor a safe saloon.
The council last night adopted a resolution
permitting the firing of crackers and the
sale of beer in any part of the
city.

Layers representing small mer-
chants on lower Twenty-fifth street
appeared before the council and de-
clared the Sunday closing ordinance
to be unconstitutional, in that it dis-
criminated against the cigar store men
and others who have recently been
closed up. The council, however, de-
clined to consider the ordinance, and
the matter was referred to the com-
mittee on laws and the city attorney.

Property owners on Wall avenue pe-
titioned the council for the opening
and paving of the avenue between
Twenty-second and Nineteenth streets.
Grant avenue property owners asked
that the street between Twenty-fifth
and Thirtieth streets be paved and
made into a speedway. Both these
matters were referred to the com-
mittee on streets.

Mayor Giamann appointed John E.
Bagley as municipal judge during the
absence of Judge John B. Murphy, who
is in Nevada to attend the big prize
fight.

The application of Browning &
Browning, who wanted a saloon license,
was turned down. Under the expres-
sion of the council, no more saloon
licenses are to be granted. Nine old
licenses were renewed. Fred Ruckman
petitioned for a license, claiming the
license had been taken into one of his boys
last week on Washington avenue be-
tween Twenty-second and Twenty-third
streets.

CLARK FUNERAL POSTPONED.

Committee Has Arranged for Day-
light and Night Illumination—Other
Attractions and Amusements.

OGDEN, June 28.—The committee
which has in charge the Fourth of
July attractions, has arranged for two
parade displays of fireworks, the first
at 8 a. m., a daylight display, and the
second at 9 p. m., at the fair grounds.
There will be ball games, merry-go-
round and sports of all kinds to occupy
the entire day.
In the morning Col. Sanderson will
discharge his daylight fireworks be-
hind the fair grounds. These beautiful
night pictures are new to Ogden and
are of Japanese origin, and will be
unprecedented.
The night fireworks at the fair
grounds will begin at 9 o'clock sharp.
The management has secured 234
keets of fireworks.

of Boxelder county "killed two birds
with one stone" on Monday afternoon
by arresting three Greeks at Lakeside
for stealing ice from express cars stop-
ping at that point for water. The
sheriff was in the party of officers on
the hunt for the fugitive Oregon Short
Line holdups when the arrest was
made. The Greeks were brought into
Ogden on the special in company
with the officers and eight suspects
who were picked up in the Lucin out-
post district. The ice thieves gave the
names of Joe Arno, Steve Alder and
Paul Adair. They will be taken to
Brigham City for trial.

refreshments served.

Moore, the jury, after being out most
of the day yesterday and until 12

Anyone wishing to test poslam, the
new skin remedy, for the rapidity of
its action should select a red spot or
small part of a surface where the
skin is extensively broken out. Pos-
lam should be applied on this place
at night and results noted in the
morning by comparison with the sur-
rounding skin, which has not been
treated. Surprising results are seen,
particularly when poslam is used for
red and inflamed noses, fever blisters,
pimples, rash, scaly scalp, itching
feet, sunburn, etc. The beneficial ac-
tion of this new healing agent in
eczema, acne, psoriasis, barber's itch,
piles, etc., begins with first applica-
tion when all itching is stopped and
continues unrelentingly until its
work is done. Cases of these troubles,
of years' standing have been com-
pletely eradicated by poslam after
other remedies were abandoned as in-
effective.

A special 50-cent package of pos-
lam is prepared for minor uses and
this, as well as the regular \$2 jar, is
on sale by all druggists, particularly

A sample of poslam, which will af-
